

## Maple Grove Senior High Volleyball Sponsorship

The past few months have been challenging to all of us. While our student athletes haven't been able to train, we know that your business has not been the same. Despite all we have been through, we know new challenges lay ahead for all of us. We want you to know that we support you as you have supported us in the past. We have sent letters out to our volleyball family encouraging them to continue to support you during these difficult times. You are important to us!

While the future continues to be uncertain, we are optimistically hoping that we will be able to proceed with some type of season this fall. With that hope, planning needs to occur. So, as we begin to look forward to the start of the 2020 high school volleyball season, the Maple Grove Volleyball Booster Club wholeheartedly thanks you for your continued support and as a token of gratitude, we will be keeping your business on our website for next year as a past sponsor. If you are in a position to help support the Crimson Volleyball Program in 2020, we are offering the same sponsorship levels as last year plus another level, "Leafy" Special.

**Platinum** - \$500 and above grants the company a full-page ad in our game program which is distributed at all home matches. Your company logo will appear on our website and MGVB Sponsorship Banner. Additionally, your company will be announced as a sponsor for ALL home varsity matches.

**Gold** - \$300 grants the company a half-page ad in our game program. Your company logo will appear on our website and MGVB Sponsorship Banner. Additionally, your company will be announced as a sponsor for 4 home varsity matches.

**Silver** - \$150 grants the company a quarter-page ad in our game program. Your company logo will appear on our website and MGVB Sponsorship Banner. Additionally, your company will be announced as a sponsor for 2 home varsity matches.

**Leafy Special** - \$25-\$100 grants company name on our website and MGVB Sponsorship Banner.

Your sponsorship is critical for the success of the Crimson Volleyball Program. Last year, your support allowed us to purchase new uniforms, and thirty new volleyballs plus we added Square® to make our concession stand more efficient. For the 2020 season, we plan to replace more old volleyballs, replace worn pole pads and hire an assistant varsity coach.

We would love to have your support as a 2020 sponsor. Please fill out the attached MGVB Donation Form. If you have any questions please contact Dawn Olson at 763-232-0006/ [drolson33@gmail.com](mailto:drolson33@gmail.com) or Chrissy Cyr at 612-751-4719/ [christinaycyr@yahoo.com](mailto:christinaycyr@yahoo.com).

**Thank you for your support!**

**MGVB 2020 Team**
